From The Chair

What Can You Do?

We are entering the official campaign season for 2020. The Tallapoosa County Democratic Executive Committee met by Conference Call and approved a series of actions that are set to begin on Tuesday, September 8th. They will include social media advertising, voter registration efforts, educating voters on absentee voting, encouraging voter participation, yard sign placement, letters to the editor, phone-banking, rides to the polls, and more. We often hear, "how can I help?" Here are some ways for you to have an impact on this year's election. 1) We have people who are performing voter registration efforts in Alexander City every weekend. We need a team for Dadeville and a team for Camp Hill. If you are able to set up a table and offer registration in either of those communities for the next six weekends, please let us know. That will include providing absentee ballot applications for those who want them. 2) If you wish to write a letter to the editor of either the Alex City Outlook or the Dadeville Record promoting the reelection of Senator Doug Jones and would like some information on Senator Jones' record to promote, please let us know. (continued on p.2)

Thank you for reading our newsletter and for supporting the TCDP with your talents and gifts. We have some exciting things that will be happening soon, and we hope that you will continue to support the TCDP. Can you give \$5 to help spread a message of hope for the future? Go to <https://secure.actblue.com/donate/tc20> and donate to help grow our party today.

3) If you are able to make 100 phone calls per week reminding people to vote (will take about 5 hours of your time each week), please let us know. 4) If you are able to provide rides to the polls on election day, please let us know...there will be safety protocols (2 passengers per vehicle and masks required) and some gas money will be provided.

Of course, financial help is always appreciated. We intend to spend around \$1000 during this 60 day period. Any contributions will go toward the work of growing the Democratic Party in our county and toward promoting our shared values. You can donate here <https://secure.actblue.com/donate/tc20>, or through our website at www.tallapoosadems.org, or by mail at PO Box 1601, Alexander City, AL. 35011.
